

CISC 2210 – Introduction to Discrete Structures

Tell Me About Yourself

Amotz Bar-Noy

Spring 2026, Tuesdays and Thursdays

TR11: 11:00am–12:15pm TR2: 2:15pm–3:30pm

<http://www.sci.brooklyn.cuny.edu/~amotz/discretemath.html>

Submission procedure and deadline: Email the instructor a PDF document containing the information requested below by Friday, August 22, 2025. The course’s email is

TR11: **amotz.CUNY+2210S26TR11@gmail.com**

TR2: **amotz.CUNY+2210S26TR2@gmail.com**

1. Provide the following information about yourself:

Full name and preferred nickname:

Id Number:

Email:

2. What is your English fluency in writing, reading, listening, and speaking? Is English your mother tongue?

3. Tell me about any issues you may have with **in-person** learning and with **remote** (via Zoom) learning.

4. For the prerequisite courses you have completed, supply the following details: (i) Date of completion (e.g., Spring 2024). (ii) Institution name and department. (iii) Instructor(s) name(s). (iv) Your grade in the course.

(a) Computer and Information Science 1.10 or 1.20 or 1110 [1.5] or 1115 or 1170 or 1215.

(b) Mathematics 1011 [2.9] or 1012 or 2.92 or assignment to Mathematics 3.20, 1201 [3.3], or 4.10 by the Department of Mathematics.

5. For students retaking Discrete Structures (2210): list every semester you previously took this course, along with the grade you received each time (including 'W' for withdrawals). Additionally, explain why you are enrolling in the course again.

6. Describe your overall mathematical background. What areas of math do you feel most comfortable with, and what areas do you find more challenging?

7. Rate your programming skills. Which programming languages have you mastered?

8. Feel free to share any other information about yourself that you think would be good for me to understand.

A large, empty rectangular box with a thin black border, occupying most of the page below the question. It is intended for the respondent to write their answer.
