

## CISC 3410 Fall 2010, Homework 1

1. Write down an example of artificial intelligence, either from the fictional world (from a book, a play, a film, a television show and so on) or from the real world.

Write a few lines to describe this example, say why you think that it is an example of artificial intelligence, and classify the environment (in terms of the factors discussed in Lecture 1) that it operates in.
