

CISC 7412 Fall 2011, Homework 1

1. Write down an example of an intelligent agent, either from the fictional world (from a book, a play, a film, a television show and so on) or from the real world.

Write a few lines to describe this example, and say why you think it is an agent — which features of agents that we discussed in class do you think that it satisfies?

The fewer other people who use the same example as you, the more credit you will get.
