

Homework – Chapter 1 – Print 1 to 100:

24. Write a program that prints the numbers from 1 to 100 with five values per line, two blank spaces between values. The last few lines will look like this:

```
    ...  
91 92 93 94 95  
96 97 98 99 100
```
